Course Description

COURSE CODE/TITLE	ICS-200	Basic ICS: Single Resources and Initial Action Incidents	
COURSE LOCATION	DEMA 165 Brick Store Landing Rd, Smyrna, DE 19962		
COURSE DATES	16-17 October, 2024	COURSE TIME	0830 to 1630 Hours
COURSE DESCRIPTION	<p>The Incident Command System (ICS) is the national standard to manage emergency incidents and critical events and is a key component of NIMS. This system of incident management is applicable at all jurisdictional levels and across functional disciplines. This course is designed to enable personnel to operate efficiently during an incident or event using the Incident Command System focusing on the management of single resources. The course will satisfy state training requirements for incident responders and will fulfill the prerequisite for attendance in higher level ICS courses (ICS 300/400). As part of NIMS compliance requirements, Delaware has implemented the requirement that all personnel that are likely to assume a supervisory or management level role in ICS must attend an ICS 200 level course.</p>		
COURSE OBJECTIVES	<ul style="list-style-type: none"> • Describe how the NIMS Management Characteristics relate to IC and UC • Describe the delegation of authority process, implementing authorities, management by objectives, and preparedness plans and objectives. • Identify ICS organizational components, the Command Staff and General Staff • Describe different types of briefings and meetings. • Explain flexibility within the standard ICS organizational structure. • Explain transfer of command briefings and procedures. • Use ICS to manage an incident or event.
