SPORT AND SPECIAL EVENT PUBLIC INFORMATION AND EMERGENCY NOTIFICATION

MGT-467

Course Overview

The Sport and Special Event Public Information and Emergency Notification course brings planners, operators, public information professionals, government, public safety, and marketing professionals together in an effort to prepare and/or enhance venue and event communication programs. The course prescribes best practices to common communication pitfalls and provides flexible and scalable solutions to a wide-range of scenarios. The training leverages a combination of exercises, discussions, and activities to optimize participant experience.

This training is applicable across the United States regardless of the venue size, capacity, or type of event. Those who complete this course can use this training to develop or improve public information and emergency notification programs for any sport or special event venue.
